

Learning about coming back to school.

At the moment,

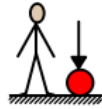

most

children

are

staying at

home.

Most

of the

schools

have been

closed

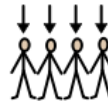

to

help

keep

everyone

safe.

A

few

children

have been

in

school

because

their

Mums,

Dads

or

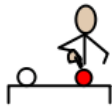

carers

are

key workers.

This

is

OK.

 Soon, some children in Foundation Stage, Year 1, and Year 6 can

 start to come back to school. Mums, Dads and carers can

 choose if children come to school, or if they stay at home. Some things

 at school will be the same and some things will be different to

 help keep everyone safe. This is OK.

Things

that

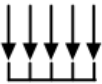

will

be the

same:

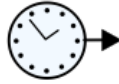

•

All

the

adults

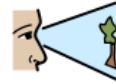

will

be

happy

to

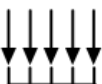

see

me

and

all

adults

will

try

their

best

to

help

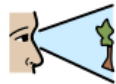

me

•

I can

see

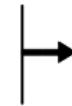

some

other

children

from

my

year

group

•

I

should

wear

my

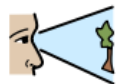

school uniform

•

I can

see

some

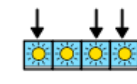

of the

adults

I

usually

work

with

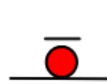

•

I

will

still

have

playtime

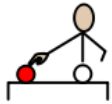

and

lunchtime

Things

that

will

be a

bit

different:

•

The classrooms

looks

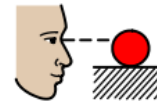

different

-

I can

watch

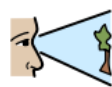

Mrs Greenaway's

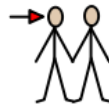

video

to

see

them

•

We

need

to

make

sure

things

are

clean

and

wash our hands

a

lot

•

I can

wear

other

shoes

if

my

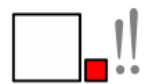

school

shoes

are

too small

•

I

might

be in a

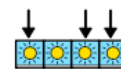

different

classroom

to

usual

- 

I will have my own pencils and stationery on my

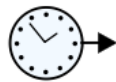

table

- 

I will eat lunch in my classroom. If I am school

dinner,

it

will

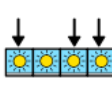

be

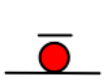

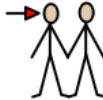

a special

packed lunch.

- 

I might not have my usual teacher or teaching assistant

- 

We will still have assembly but they will be

on

a

screen

in the

classroom

instead

of

going to

the

hall

I can

do

some things

to

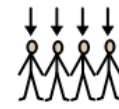

help

to

keep

everyone

safe.

I

should

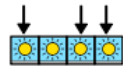

try

to:

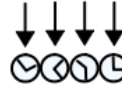

- wash my hands

often,

and

every time

I

cough

or

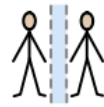

sneeze

keep

some

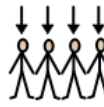

space between

me

and

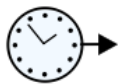

everyone

else.

Adults

will

help

me

know

how

to

much

space

to

give

people

- listen

to the

adults

giving

me

instructions

and

helping

me

 Lots of
  children
  and
  adults
  will
  feel
  differently
  about

 coming back
  to school.
  Some
  people
  might
  be worried
  or upset,

 and
  some
  people
  might
  be happy.
  Most
  people
  will

 be
  a little
  bit
  happy
  and
  a
  little
  bit
  upset
  and

 worried.
  However
  I
  feel
  about
  coming back
  to
  school
  is OK.

 If
 I
 am
 feeling worried
 or
 upset
 I
 should
 tell
 an
 adult

 who
 can
 help
 me,
 instead
 of
 using
 my
 worry
 box. If

 I
 am
 feeling
 ill
 or
 poorly,
 I
 must
 tell
 an
 adult

 straight away.
 Miss Clark
 will
 be in
 school
 everyday
 to
 talk to

 anyone
 who
 feels upset
 and
 needs
 help.

When

I

come back

to

school,

I

should

try

to

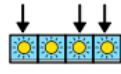

remember

to:

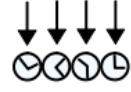

- wash my hands

often,

and

every time

I

cough

or

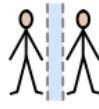

sneeze

- keep

some

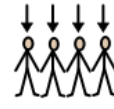

space between

me

and

everyone

else

- listen

to the

adults

giving

me

instructions

and

helping

me

- feel

happy

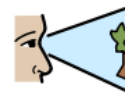

about

coming back

and

seeing

other

children

and

adults
