

My Name:

Mrs Bubb

What people like and admire about me...

My friends say I am calm, caring and funny.

I am always willing to help others and like to be busy.

What's important to me...

My friends and family are very important to me. My Mum and Sister live close by so we meet up often for a coffee and a chat.

I am a big fan of Cooking. At the weekends and on special occasions I will happily cook a big feast for our friends and family.

I really enjoy getting outside and exploring with my children. We will often be found at a park or in the woods finding trees to climb.

I love to be by the sea. It always makes me feel happy and even better if I can find a lighthouse.

And finally I **LOVE**

How best to support me...

Make sure I know what I should be doing in advance, as I like to be prepared and I **don't** like surprises.

Push me to try new things.

Give me a big smile when you see me as it makes me feel happy.
