What's important to me...

- My friends and family – their support makes everything a lot easier
- Honesty – I really appreciate it when people around me show integrity and are honest, even if it's not always the easiest thing to do
- Treating others as I would like to be treated myself – respect has to go both ways
- Helping children to enjoy their learning and achieve everything they want
- Making someone smile
- Reading – I love reading all kinds of books to help me relax
- Trying new things (particularly new foods!)
- Musicals!

What people like and admire about me...

- My caring nature – I will always take the time to listen to you
- My firm but fair attitude
- My hardworking mindset
- My organisational skills
- My ability to find something to smile about everyday

How best to support me...

- Giving me a hello and a smile every day – it will brighten up my day!
- Be respectful – if someone is saying something please listen
- Try your best in everything you do – that's all I can ask
- Ask me for help, don't sit in silence (it's what I'm here for)
- I am incredibly clumsy so make sure the classroom is always tidy otherwise I'm going to have too many bumps
- Tell me when you have loved a lesson or when there is something that has really helped you to learn

Teacher Fact... This is my first year of teaching not as an ECT, which is very exciting! I'm looking forward to getting to teach some of you again and having some new faces.
